-------------------------	--------	--------------------	----------	--------------------	----------

Purpose

This policy sets out Pulse 8's commitment to providing a respectful, inclusive, and fair learning and working environment for all students, staff, faculty, and visitors. It supports a culture where everyone is treated with dignity and respect, regardless of background or identity.

Scope

Applies to all Pulse 8 activities including student and faculty engagement, recruitment, communication, training delivery, course development, and policy creation.

Policy Statement

Pulse 8 is committed to promoting diversity, equity and inclusion in all aspects of its work. We do this through simple, practical actions that support a respectful and welcoming learning environment. We will:

- Provide DEI information during student and faculty induction
- Share a code of conduct with all staff, faculty, and students outlining expected behaviour
- Provide a student charter that explains what students can expect and what is expected of them
- Use clear and inclusive language in all materials
- Encourage respectful behaviour at all times
- Ensure we use accessible training environments and materials
- Collect feedback from students and faculty to improve inclusion and respect
- Share information annually about DEI training and provide opportunities to attend training and encourage participation
- Consider DEI when developing courses and policies
