#### Purpose

To ensure that any instance of harassment and/or bullying is handled in an effective and efficient manner

#### Scope

Applies to all personnel and students and to activities, internal and external associated with education and training

#### Policy Statement

At Pulse 8, we are committed to providing a respectful, inclusive, and safe learning and working environment. We do not accept any form of bullying, harassment, or discrimination. Everyone; staff, faculty, students, and visitors, should be treated with dignity. To support this:

- We do not tolerate discrimination based on gender, age, disability, race, religion, sexual orientation, family status, or membership of the Traveller community
- Any complaint of bullying or harassment will be taken seriously, investigated fairly, and handled sensitively and in confidence where possible
- Bullying or harassment by anyone involved in Pulse 8 activities — including students, contracted faculty, or clients — may result in suspension, contract termination, or being asked to leave a course or location
- We understand that bullying and harassment can cause serious emotional and psychological harm
- Everyone involved with Pulse 8 is expected to speak up if they experience or witness bullying or harassment
- Nobody will be treated unfairly for making a complaint or helping with an investigation
- We will keep track of any reports and outcomes, and update our procedures to fix any gaps in how we respond
