

Teaching & Learning Policy

1.2.1 Teaching & Learning Policy					
ID & Version	PO1-V1	Last Review	Aug 2025	Next Review	Aug 2028
Purpose					
To ensure consistency in the quality of learning environment and the learning experience					
Scope					
Applies to all courses, faculty, staff, and associated stakeholders					
Policy Statement					
Pulse 8 is committed to providing a high-quality learning environment that supports students to do their best and succeed in their assessments. To meet this commitment, we will: • Check and improve the learning experience after every course • Make sure all faculty are properly qualified, experienced, and inducted • Use recognised teaching methods that reflect best practice • Support different student needs with flexible course formats where possible • Provide clear course information and guidance to help students study independently • Respond to student questions and feedback in a timely and respectful way • Create a professional and respectful atmosphere in every class • Provide students with the resources and equipment they need to complete the course • Check that all venues, equipment, and materials are fit for purpose before each course
