

Student Support Policy

4.1.1 Student Support Policy

ID & Version	PO17-V2	Last Review	Aug 2025	Next Review	Aug 2028
-------------------------	---------	--------------------	----------	--------------------	----------

Purpose

To ensure students are informed, supported, and guided throughout their engagement with Pulse 8, and outline our commitment to accessible supports, clear communication, and a respectful, inclusive learning environment.

Scope

Applies to all PHECC-approved courses delivered by Pulse 8 and includes all stages from pre-enrolment to certification.

Policy Statement

Pulse 8 is committed to providing students with appropriate, timely and relevant support before during and after their course. To following applies:

- Students will be provided with information about all the relevant PPPGs, including how to access them.
- Provide students with information about what is expected of them, through the induction, the student charter and code of conduct
- Ensure students are provided with clear information and opportunities to seek support and guidance from initial engagement to course completion
- Engage professional and appropriately experienced and qualified personnel to support students through their learning journey
- Ensure that student complaints and misconduct will be handled in a supportive, respectful, and confidential manner
- Ensure that all students have access to the resources necessary for their course
- Ensure effective and efficient two-way communication with students to support the continuous quality improvement of courses and associated services
- Proactively support students who may indicated that they have additional support needs
- Provide reasonable accommodation. including for assessment activities
