Purpose

To explain the shared expectations between Pulse 8 and its students. It helps build a respectful, inclusive, and high-quality learning environment.

Scope

Applies to all students enrolled in courses with Pulse 8. It also applies to all learning settings, including in-person, online, and work-based training.

Students can expect:

- A respectful, welcoming, and inclusive learning environment where everyone is treated with dignity
- High-quality teaching from qualified staff, with up-to-date and varied teaching methods
- Safe, accessible, and well-equipped learning spaces, supported by appropriate use of technology
- Clear, timely, and accurate information about your course, assessments, schedules, and any changes
- Opportunities to give feedback on your learning experience and to have your voice heard
- Access to confidential, student-centred processes for dealing with complaints, appeals, or issues
- Constructive feedback on your progress and support to help you succeed

Students are expected to

- Take an active role in your learning by attending, participating, and engaging in all required activities
- Meet assessment deadlines and complete your own work with honesty and integrity
- Understand and follow key policies and procedures relevant to your course
- Respect the learning environment and the rights of staff and fellow students to learn and work in a positive space
- Provide feedback to help us improve our courses and services
- Let us know if any personal circumstances affect your ability to fully engage with your course
